## Why Great American?

Our roots go back to 1872 with the founding of our flagship company, Great American Insurance Company. Even then, we were specializing in property coverages, writing our first policy for a factory that manufactured hard rubber combs.

We've come a long way since rubber combs. Today, we're based in Cincinnati, Ohio, and organized into over 30 niche businesses with specialized expertise in the markets they serve. Our **diversity of products** positions us well during changes in the economy and the insurance market, while providing specialty knowledge and expertise to agents and policyholders within each market.

We're a big company, with small company **service and solutions**. With the Accident & Health Insurance Program, you'll find a wide array of insurance coverages uniquely tailored to suit the needs of your organization.

And, it's all backed by **strong financials you can count on**. Out of more than 3,100 property and casualty insurance companies in the United States, we're one of only two companies to hold an A.M. Best rating of "A" (Excellent) or better for over 100 years and also be listed on the 2017 Ward's 50 List for insurance company performance. That's staying power you can count on to protect your business, and your clients' businesses, for the long haul.
