RE: **Important Notice** – Multiple Peril Crop Insurance Policy for Crop Year 2025

Policy Number(s):

Dear [Insured]:

Your federally reinsured Multiple Peril Crop Insurance (“MPCI”) policy for the 2024 crop year is currently serviced by Crop Risk Services, Inc. (“Crop Risk Services”). Crop Risk Services was purchased by an affiliate of Great American Insurance Company (“Great American”). Great American is an approved insurance provider, or “AIP,” in the federal crop insurance program. As an AIP, Great American issues MPCI policies pursuant to a Standard Reinsurance Agreement between it and the Federal Crop Insurance Corporation.

Under the terms of the purchase, Great American served as the AIP for your MPCI policy for the 2024 crop year and Stratford Insurance Company (“Stratford”) remained as the policy issuing company. Effective for 2025 and subsequent crop years (that is, for MPCI policies with a sales closing date after July 1, 2024), the policy issuing company for your MPCI policy will change from Stratford to Great American.

We will continue to service your MPCI policy issued by Stratford for prior years.

**You do not need to do anything at this time to continue your current MPCI coverage.** This change in crop year 2025 simply replaces Stratford with Great American as the policy issuing company. Your crop insurance agent will remain the same. If applicable, your agent will work with you to rewrite any additional private product coverage for the 2025 crop year.

If you have any questions, please feel free to contact your local agent. Thank you for your business.

Sincerely,

Great American Insurance Company
