

## **Non-Covered Employer**

Texas Workers' Compensation Rule 110.101(e)(4) requires employers who are not covered by workers' compensation, either by election, cancelation or termination of coverage to advise their employees that they do not have workers' compensation insurance coverage.

Notices in English, Spanish and any other language common to the employer's employee population must be posted and:

1. Prominently displayed in the employer's personnel office, if any;
2. Located about the workplace in such a way that each employee is likely to see the notice on a regular basis;
3. Printed with a title in at least 26 point bold type, subject in at least 18 point bold type, and text in at least 16 point normal type; and
4. Contain the exact words as prescribed in Rule 110.101(e)(4).

The notice on the reverse side meets the above requirements. Failure to post or to provide notice as required in the rule is a violation of the Act and Division rules. The violator may be subject to administrative penalties.
