

Contractors Pollution and Professional Liability Insurance

Online Quoting Solution for Small Business Contractors

FOR BROKER/AGENT USE ONLY

Did you know you can provide your specialized contracting clients with a product that not only protects them, but is affordable? Contractors ProProtect fills in coverage gaps left open from standard casualty insurance products.

Contractors ProProtect is Great American Environmental’s program providing pollution and professional liability coverage for contractors. Contractors ProProtect is a cost effective and comprehensive insurance product built to satisfy contractual obligations. This program provides coverage for bodily injury, property damage, legal expenses and clean-up costs resulting from pollution conditions associated with Contracting Services as well as Professional Liability coverage for trade contractors and general contractors. Coverage is also provided for exposures associated with the Insured’s non-owned disposal sites and transportation. Learn how you can get a quote in minutes!

Suitable for non-environmental contractors with annual revenues less than or equal to \$25,000,000.

This program is suitable for numerous classes of business and contracting specialties, including but not limited to:

General Contractors

Excavation Contractors

Electrical Contractors

Mechanical Contractors

Utility Contractors

Plumbers

Street & Road Contractors

...and more!
