

Tack Equipment Coverage

Great American offers the ability to insure your tack equipment owned by you and belonging to others in your care, custody or control. This is an optional coverage offering that can be added to your Mortality Policy for a small additional premium.

Tack equipment includes any equipment used to ride or control a horse, including but not limited to saddles, girths, stirrups, cinches, bridles, bits, martingales, halters, fly masks, lead ropes, whips, reins, wraps, or sports boots.

Tack Equipment coverage provides protection to your tack without the hassle of providing a listing of equipment to be covered. Choose one of the optional limits of insurance in any one loss below. You will be insured up to the selected limit for covered tack equipment in any one loss event. In any one loss event there is a maximum limit of insurance that we will pay on any one item. A deductible of \$500 applies in any one loss.

Limit of Insurance in any one loss	Maximum limit paid on any one item	Deductible in any one loss	Annual premium charge
\$2,500	\$500	\$500	\$75*
\$5,000	\$1,000	\$500	\$125*
\$10,000	\$2,000	\$500	\$200*

Contact the company for a limit of insurance needed in excess of the above options.

*Premiums do not include any applicable state taxes or surcharges.

Coverage includes:

- Replacement cost without deduction for depreciation, subject to the applicable limit of insurance.
- All risk coverage subject to the exclusions specified in the tack equipment coverage form.
- Worldwide coverage including while in transit.
