

Cyber Risk Insurance Policy Data Breach Risk Management

Great American has teamed up with CyberScout and Dolden Wallace Folick LLP to provide you with Data Breach Risk Management Services that will help you prepare your business for the complexities and nuances of data security.

- **Reduce the chances of a data breach in the first place**
- **Prepare for those that might occur**
- **Respond appropriately if they do**

Proactive Breach Preparation Services

The service is included with your policy at no additional cost and includes access to a variety of resources through the Breach Preparedness website.

- **Educational Resources** – Data protection tips, breach scenarios, articles and best practices.
- **Incidence Response Plan Template** – Establishes procedures for handling a breach and working with Dolden Wallace Folick LLP to minimize the impact and potential fallout. Additionally, in the event of a potential security incident, you will receive a one-hour consultation at no extra charge.
- **Notification Laws and Regulations** – Information on consumer, regulatory and third party requirements.

About CyberScout

Covering more than 45 million individuals, CyberScout is North America's premier identity management and data risk management services provider.

About Dolden Wallace Folick LLP

The Dolden Wallace Folick LLP team has the experience to help you comply with the various laws and standards governing the collection, use, sharing and protection of personal data.

They coordinate a full spectrum of services – from data breach response, internal investigations and litigation to policy development and industry-specific compliance and regulatory counseling.
