

Crime Protection for Nonprofits

Crime can strike any business at any time, no matter its size. And when that business is a nonprofit, the reputational result can detract from the mission and lead to the organization's demise. A crime endorsement from Great American's Executive Liability division can help your nonprofit clients with less than \$5 million in total assets and less than \$500,000 in salary expense protect against:

- Employee dishonesty
- Forgery or alteration
- Inside the premises
- Outside the premises
- Computer fraud
- Money orders and counterfeit paper currency
- Funds transfer fraud

Shared or Separate Limit options up to \$500,000 are available. Not available in all states.
