

## Fiduciary Liability Insurance

For Single-Employer Plan Sponsors and Taft-Hartley Plans

---

Much has changed since 1974.

Fiduciary Liability Insurance is still about ERISA. However, the passage of legislation such as HIPAA, COBRA, the Pension Protection Act of 2006, and landmark Supreme Court Rulings such as *LaRue v. DeWolff* all have serious implications for Fiduciary Liability.

Are you certain you understand them? At Great American, we do.

The Executive Liability Division (ELD) has been writing Fiduciary Liability for over 20 years and has a staff of experienced underwriters, claims attorneys, and marketers prepared to take an active role in helping you protect your clientele. In this climate of rapidly changing legislation and unprecedented levels of litigation, you can count on us.

The ELD offers two products which address the largest segments of the Fiduciary Liability marketplace. The ExecPro® Fiduciary Protection Policy is tailored to non-profit, private, and public company single-employer plan sponsors and the ExecPro® Fiduciary Liability Insurance for Multiemployer Plans Policy is designed specifically for the unique risks associated with Taft-Hartley Plans.
