

## D&O Liability for Financial Institutions

Covering Insurance Companies, Banks, and Finance Companies

Financial Institutions are under intense scrutiny from shareholders, creditors, employees, regulators, and other interested parties. The ELD offers specialized insurance protection that address these varied risks.

### D&O Liability

Directors' and Officers' (D&O) liability insurance protects the personal assets of directors and officers from catastrophic financial loss in the event of a legal claim brought against them. The D&O policy also provides coverage for the organization when entity coverage is included, or when the organization is required to indemnify a Director or Officer for a covered Wrongful Act.

### Financial Institutions D&O

The ELD provides D&O liability coverage to insurance companies, commercial banks, non-depository financial institutions such as leasing companies, property REITS, mortgage brokers, and finance companies.
