Conservators

For over 150 years, Great American Insurance Company carries a legacy of subject matter expertise and financial strength, we have laid a foundation of success that has stood the test of time. Great American has and will continue to positively redefine the manner in which it serves and services its collector, museum, corporate, gallery, conservator, and artist clients across the globe with a sincere consideration for the way valuable objects are insured and cultural patrimony is protected for the generations to come.

It is no secret that Conservators are an essential arm of the art industry. These highly trained craftsman don't just fix old paintings, they strive to preserve works so that they are around for future generations. The most important jobs of a conservator is preventive conservation. This involves providing strategies to their clients to prevent the degradation of art so that works don't have to be restored to be begin with. Therefore when a conservator receives new projects into their shop it is important they carry protection for themselves and the objects they are working on.

Our innovative and comprehensive policy options provide:

- Covered property loaned works, supplies, tools and equipment.
- Worldwide coverage including transits
- Art reference library coverage included
- Coverage is available for damage during the process of conservator, restoration, repair or retouching*
- Minimum policy deductible: \$1,000
- Policies Available in USD and CAD
