

Fine Art Insurance

Dealer & Gallery

For over 150 years, Great American Insurance Company carries a legacy of subject matter expertise and financial strength, we have laid a foundation of success that has stood the test of time. Great American has and will continue to positively redefine the manner in which it serves and services its collector, museum, corporate, gallery, conservator, and artist clients across the globe with a sincere consideration for the way valuable objects are insured and cultural patrimony is protected to be enjoyed for generations to come.

The art market has changed significantly in recent years and continues to evolve each day. Dealers and Gallerists now operate through a variety of arenas, and not just within the confines of a traditional brick and mortar space. Pop up exhibitions, online platforms and the countless art fairs globally are some of the ways in which Gallerists and Dealers are choosing to present themselves. Still, even though change is persistent, one thing which remains constant is the possibility for a loss.

Shipping art, installing and uninstalling exhibitions, personally conveying items, the list goes on - The business of buying and selling art presents specific and unique exposures which need to be addressed with comprehensive and flexible coverage that responds to each unique circumstance.
