

Small Business
COMPREHENSIVE SOLUTION

When it comes to fighting fraud, many small businesses face an *uphill battle*.

Small businesses* are the most common victims of fraud accounting for **30%** of all cases.

Small businesses* feel the impact of fraud losses more than larger organizations sustaining median loss of **\$150,000** with 23.2% of fraud losses totaling \$1 million or more.

15x

Employee theft is **15 times** greater than external theft or embezzlement.

Common fraud schemes plaguing small businesses* include: **billing fraud, check tampering, expense reimbursement, cash embezzlement, and payroll fraud**

* Small businesses are defined as organizations with fewer than 100 employees. Resources: Association of Certified Fraud Examiners Report to the Nations on Occupational Fraud and Abuse (2016 Global Fraud Study) - www.acfe.com/rtn2016.aspx
