If you want to change your strategy allocations for the new term, you may do so by completing your Strategy Selection Form or by calling us at 800-789-6771.

We must receive your changes by 9/19/2020.

**Thank you for choosing Great American!**

The bailout trigger is not a guaranteed interest rate and is not used to calculate performance adjustments. It is used to determine whether an early withdrawal charge applies to a withdrawal at the end of a term. In your annuity contract and prospectus, a cap is referred to as a maximum gain and a floor is referred to as a maximum loss.
