

Change Account Password

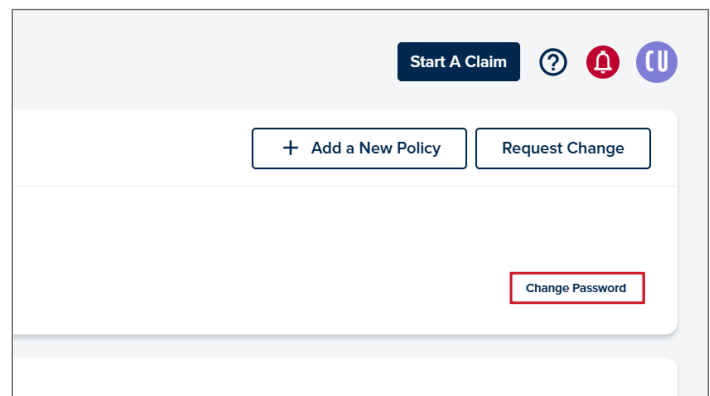

Settings for Insured Portal

Follow the steps below to change your account's password.

1. From the top of any page, click your avatar icon and select **Settings** from the drop-down menu.

2. On the Settings page, click **Change Password**.

3. In the Change Password modal, do the following:
 - a. Enter your **Current Password**.
 - b. Enter a **New Password**.
 - c. Enter the new password again in the **Confirm Password** text box.

NOTE: Passwords should be at least eight characters long, contain upper and lowercase letters, and include at least one number.

4. Click **Change Password**.
