

Policy Details > Policy Claims Tab

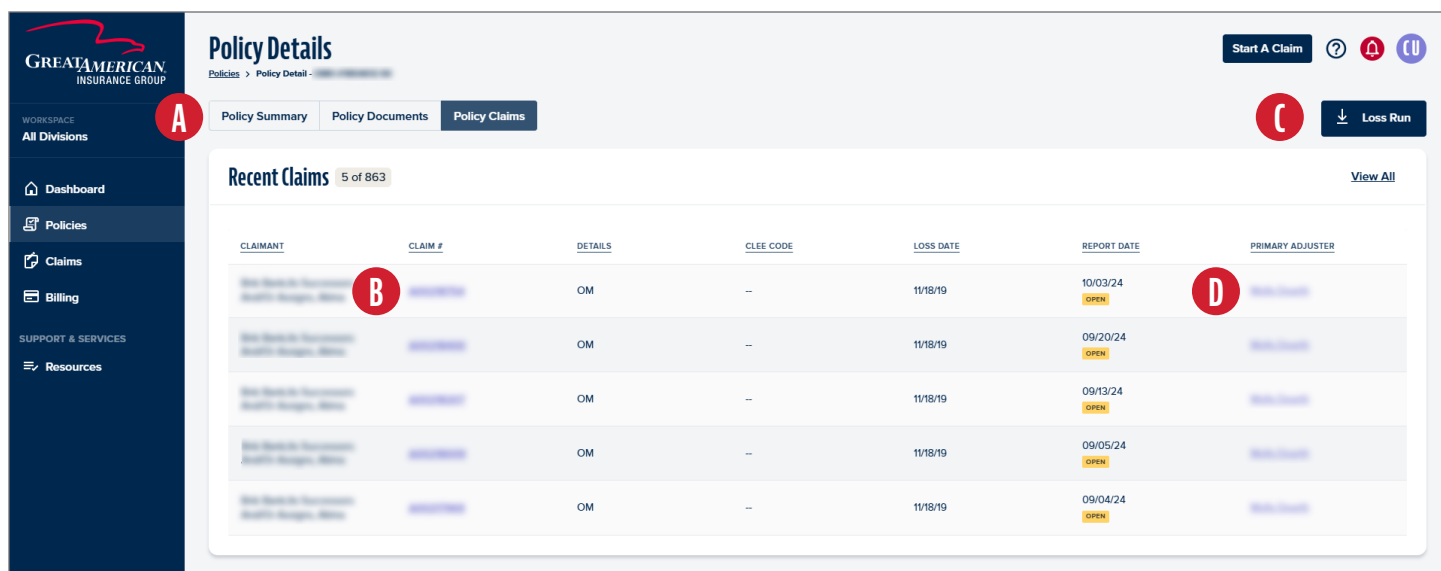

Policies in Insured Portal

Access the Policy Details Page

To access a policy's Policy Details page, click on the **Policy #** link or click the kabob (⋮) icon in the Actions column and select **View Policy Details** from the pop-up menu.

Policy Claims Tab Overview

A Click on each tab to view the **Policy Summary**, **Policy Documents**, and **Policy Claims** (shown) information.

B Click on the **Claim #** link to open the Claim Details page.

C Click **Loss Run** to download the Loss Run report as an Excel document.

D Click on the **Primary Adjuster** link to open a contact information form that allows users to send a message to the primary adjuster.
