

Oil and Gas Quick Quote Products

Custom fit for you!

Mid-Continent's Agent Portal allows you to rate, quote, and bind Oil & Gas programs in a snap. The portal is for pumpers and gaugers, oilfield welders, and flowtesters and offers the flexibility your customers deserve, by providing an instant quote with our Quick Quote feature.

Targeted Risks

- Experienced pumpers and gaugers who accurately gauge and report flow rates, tank levels, quality of oil, and gas production at well sites; Maintain, calibrate and service pumpjacks, gas and electric motors, compressors, meters, dehydration units and separators.
- Experienced flow testers who accurately monitor, test, gauge, record and report well measurement data such as: flow rates of oil, gas and water; static and back pressure within lines; monitor and operate water, gas and oil separators.
- Experienced oilfield welders involved in land-based, oilfield-related welding, including rigs, pipelines and machinery.
