

## A Company You Can Count On

In 1872, accidents and natural disasters meant the end for many businesses. When a need for insurance met a few ambitious German immigrants, our company was born. The first customer? A rubber comb factory. Within a few years, we became known for paying claims in a timely manner. In fact, after the 1906 San Francisco earthquake, we paid out more than \$2 million in claims, even to policyholders who didn't have viable coverage.

Nearly 150 years later, we continue to protect specialized businesses in more than 30 niche industries. And, we continue to be recognized for financial stability. Our lead company, Great American Insurance Company, has received an "A" rating or higher from A.M. Best for more than 110 years. From that rubber comb factory to today, companies turn to us when they need someone who knows their space, shares their priorities and has the freedom to do what's right.
