

Business Electronic Systems & Telecommunications

Protection for your most valued asset

Electronic equipment, software and data are susceptible to loss from a variety of causes. Make sure you and your business are protected with Great American's Business Electronic Systems and Telecommunications coverage. Covered property includes electronic data processing, information technology hardware and telecommunications equipment, along with related data, media and extra expenses.

We protect against losses not covered by many property insurance policies

Don't let data loss or equipment breakdown damage your business. With Great American you're covered from short circuits and computer viruses, to employee vandalism and false pretense. In the event of loss, replacement cost valuation and no coinsurance are standard with our form.

Other coverage highlights

- Breakdown coverage including mechanical breakdown, short circuit and other electronic disturbances.
- Certain loss during repair, service or processing.
- Virus/Malicious Software resulting in programming errors/incorrect machine instructions.
- Protective equipment included for cost to recharge a discharged system as well as replacing the system.

Optional coverages

- Off Premises Utility Interruption
- Loss of Business Income
- Flood and/or Earthquake
- Worldwide Coverage
- Blanket Coverage to include all covered property under one limit
