INSURANCE COMPANY

## Marine Liability Insurance

Business operating in the marine industry are potentially more exposed than you can expect. As today's marine operations continue to expand their reach and responsibilities around the world, it is crucial to have adequate risk management and protection for your business operations.

Great American offers a comprehensive marine liability cover specifically designed to provide coverage to owners and operators of shore and dockside facilities.

### Key Product Highlights:

- **Marine Terminal Operator's Liability.** Coverage for port and terminal operators (including dry/liquid-bulk, break-bulk and containerized facilities), against liability for damage to vessels, cargo and property of others while in their care, custody or control.
- **Marina Operator's Liability.** Protects Marina Operators against liability for damage to private pleasure vessels while in their care, custody or control, for storage, repair or alteration.
- **Stevedore's Liability.** Cover for stevedores against liability for damage to vessels, cargo and equipment while in their care, custody or control, arising out of the loading and discharging operations of a vessel.
- **Ship Repairer's Liability.** Protects ship repairers against liability for loss of, or damage to, vessels (including its cargo, machinery or equipment) while in their care, custody or control, being repaired or awaiting repair or alteration.

### Other coverage features include:

- Liability for bodily injury to third parties
- Liability for loss of, or damage to, third party properties
- Legal costs & expenses
- Removal of wreck
- Pollution
