Why you need coverage – loss scenarios

Through the following scenarios, we demonstrate real-world situations where Great American can offer protection for organizations like yours.

Professional coverage
An owner brought his cat, Oliver, to the veterinary clinic fearing the cat's leg was broken. The veterinarian diagnosed the cat with a sprain and treated it as such. When Oliver's leg did not heal properly, the owner sought a second opinion where an x-ray showed a fracture on the leg. The owner filed a claim with the veterinary clinic for property damage. The clinic felt relieved that their Great American policy included coverage caused by a professional veterinarian service act.

General Liability coverage
A dog rescue rented out a storefront in a strip mall to help garner adoption interest. One of the dogs on display bit a young girl, piercing her cheek and lip. Her lacerations required sutures and her family sued the rescue for the injuries she sustained. The rescue reported the incident and was assigned an adjuster who was well versed in dog bite claims. He was able to settle the claim quickly and allow the rescue to resume business as usual and focus on their mission. The rescue was pleased that Great American had over 35 years of experience serving social service organizations.
**Auto coverage**
A zoo employee was transporting one of its smaller animals to an offsite event in the organization's owned vehicle. The driver swerved and hit a guardrail after failing to recognize slowing traffic. The vehicle was disabled and towed away. The zoo was glad to count on Great American's Signature Auto Broadening Endorsement, which provided up to $200 for the towing expenses that the zoo incurred that day.

**Prevent loss before it happens**
One of the best services we can provide is helping you to prevent a loss before it happens. *Claims cost money.* They also take a personal and professional toll that can add up to missed opportunities, lost hours and pain and suffering.

To help prevent claims, we pair you with our Safety Professionals, a team of individuals who average 15 years of experience. They start by working with you to evaluate your property, premises and facilities and then develop plans and educational programs to address issues such as driver safety, bullying and employee safety.

Beyond Great American’s dedicated loss prevention services, we also offer these valued benefits:

- **Specialized Nonprofit Risk Management** – Build effective risk management policies, receive unlimited risk management advice by phone or email and provide your employees risk training through live webinars with Nonprofit Risk Management Center’s affiliate membership program.

- **Driver Monitoring** – Help reduce losses due to auto accidents and employee turnover, and improve your public image with SafetyFirst’s driver monitoring services offered to all policyholders.

- **Anonymous Bully Reporting App** – Report, deter and mitigate inappropriate conduct including bullying, drug and alcohol use, hazing and self-harm with STOPit's anonymous user app. Schools and other social service organizations can take advantage of this offering.

- **Background Checks** – Help make smart hiring decisions while saving with IntelliCorp’s discounted background check package. Specialty Human Services policyholders receive 35% off standard retail price.

- **Unemployment Tax Alternatives** – Consider opting out of the State Unemployment Insurance pool and invest in 501(c) Agencies Trust’s alternative unemployment risk management service, which could save you in excess of 30%. You will have access to expert claims management, a customized savings plan and guidance on a variety of HR issues through a professional HR hotline.
