

Digital Tools For Insureds

Insured Portal: Designed for Your Success

Great American's [Insured Portal](#) makes it easier to get to your policy, billing, services and claim information. With the Insured Portal, you have 24/7 access to get the information you need at any time. With the click of a button you can:

- Check coverage details and get auto ID cards
- Submit a claim
- Get claim adjuster contact information
- Pay premium online (if eligible)
- Learn more about value-added services to keep their organization safe

Register today using a valid policy number and associated zip code.

Risk Resources Portal

The Specialty Human Services [Risk Resources Portal](#) was created to connect your customers to a wide variety of targeted resources to help them further develop their risk management culture so they can fulfill their mission. The design includes a customized visual experience for each type of organization.

The Risk Portal's collection of tools includes:

- Technical Resources: Guides, Safety Announcements, Checklists, Sample Policies and Plans, Videos and Webinars
- Document Library: Full listing of risk management content and external resources including links to CDC and OSHA
- Value-Added Resources: Access to discounted background checks, driver monitoring and more
- Risk Assessment: Organizations can take a self-assessment on risks including special events, employment practices and facility safety
- Virtual Learning: Register for upcoming webinars, access Training Network Now video library, enroll in GreatAcademySM learning management system, view recorded webinars and safety shorts

Register today using a valid policy number.

We provide tailored coverage and specialized risk management solutions to satisfy your unique exposures
