Specialty Human Services Value-Added Benefits

One of the best services we can provide is working with our clients to help prevent a loss before it happens. Claims cost money. They also take a personal and professional toll that can add up to missed opportunities, lost hours and pain and suffering. Therefore, we offer these valued benefits:

Driver Monitoring

Help to reduce losses due to auto accidents and employee turnover, and improve your public image with SafetyFirst's driver monitoring services offered to all policyholders.

Discount Glass Strengthening and Virus Eliminating Nanotechnology

Help protect your clients with preferred pricing on nanotechnology solutions. CBOND's solutions include glass strengthening products that make your glass more energy efficient and bullet resistant as well as sanitizing products that kill germs and eliminate viruses.

Specialized Nonprofit Risk Management

Build effective risk management policies, receive unlimited risk management advice by phone or email and provide your employees risk training through live webinars with Nonprofit Risk Management Center's affiliate membership program.

Anonymous Bully Reporting App

Report, deter and mitigate inappropriate conduct including bullying, drug and alcohol use, hazing and self-harm with STOP!It's anonymous user app. Schools and other social service organizations can take advantage of this offering.

Discount Background Checks

Make smart hiring decisions while saving with IntelliCorp's discounted background check package. Specialty Human Services policyholders receive 35% off standard retail price.

Discount Visitor Management Platform

Keep track of who is checking in and out of your facility with the VisitU Visitor Management System. Policyholders will receive one free iPad with the purchase of Visitu's visitor management software.

Great American Insurance Group Loss Control

Control loss dollars and long-term insurance costs with the help of Great American's loss prevention consultants. Safety programs, premises evaluation and training programs are just a few of the services included with your Specialty Human Services policy.

Online Learning

Track and train your employees and volunteers in online classes such as principles of youth development, risk management basics and special event safety. Specialty Human Services' proprietary eLearning platform will gauge and reward your staff for their risk management knowledge.

Virtual Defense

Evaluate your organization's current level of cyber risk, get help creating an incident response plan, consult with a breach coach and get tips and news alerts with this comprehensive cyber risk management service.

Oostman Aquatic Safety Consulting

Assess your aquatic risk from a litigation and operational perspective, take a facilitator guided workshop for supervisors and leadership, and receive post-aquatic event investigative services and support.
