

## Physical Damage

Being on the road presents its own set of risks – from damage in an accident or natural disaster, to vandalism or theft. Physical Damage coverage is offered nationwide and across Canada, so wherever the road takes you, your rig is protected.

### Flexibility to fit your needs

- Collision and either specified perils or comprehensive coverage
- A range of deductible options
- A variety of endorsements, including TruXpro® and Deductible Buyback
  - TruXpro can protect your personal items, equipment and finances. With TruXpro, drivers receive Diminishing Deductible, Single Deductible, Downtime/Rental Reimbursement, Personal Effects, Electronic, Equipment and Tarps, Chains and Binders.
  - Deductible Buyback can pay deductibles on behalf of the driver. The low monthly fee offsets a potentially costly settlement for the driver, and the Motor Carrier can feel comfortable knowing there is a financing source for payment of a covered loss.

### At-your-service claims handling

Great American's team of specialized claims handling professionals has years of experience in the industry and is helping you get your truck back up and running as quickly as possible after an accident. You can reach us 24/7, and can submit claims via phone call or online.

Our signature Rig Ready® program gets you back on the road faster compared to a typical claims process.

### How does Rig Ready work?

1. **Find a participating Rig Ready shop that is best suited for your truck.** Consult your claims adjuster, call our Rig Ready line at 800-643-7882 or visit [GreatAmericanTrucker.com](http://GreatAmericanTrucker.com).
2. **The repair process.** Qualified personnel will inspect the truck and prepare an estimate for repairs. Our dedicated Rig Ready team works directly with shops to review estimates, eliminating the need for an external appraisal. Once the estimate is approved, the shop can get started.
3. **Getting back on the road.** Our Rig Ready shop will release your truck as soon as repairs are complete, once you've satisfied your deductible and applicable charges – even if the shop hasn't received payment from Great American.
