

for all the *great* you do®

## Rig Ready®

If you're losing time, you're losing money. When your rig is down, we're here to help. You can get your truck back on the road faster with our signature Rig Ready program. This streamlined service is included with our Physical Damage policy.

### Nationwide Network

With Rig Ready, you have access to a nationwide network of shops. We hand-select only the best shops and work directly with them to negotiate discounts and payment. Many shops are full service dealers with access to a large inventory of parts, along with certified and experienced body, frame, alignment and paint technicians.

### How does Rig Ready work?

**1. Find a participating Rig Ready shop that is best suited for your truck**

Consult your claims adjuster, call our Rig Ready line at 800-297-1971, visit [GreatAmericanTrucker.com](http://GreatAmericanTrucker.com), or download our mobile app.

**2. The repair process**

Qualified personnel will inspect the truck and prepare an estimate for repairs. Our dedicated Rig Ready team works directly with shops to review estimates, eliminating the need for an external appraisal. Once the estimate is approved, the shop can get started.

**3. Getting back on the road**

Once you've satisfied your deductible and applicable charges, the shop will release your truck as soon as repairs are complete, even if they haven't received payment from Great American.

### At-your-service claims handling

Great American's team of specialized claims handling professionals has years of experience in the industry and is dedicated to helping get drivers and their trucks back up and running as quickly as possible after an accident. We can be reached 24/7, and claims can be submitted via phone, online or through our mobile app.
