

## The Road to Creative Solutions

Great American and National Interstate have teamed up to deliver one of the most comprehensive product offerings available to the trucking industry. Built on the alliance of two market leaders, our combined trucking insurance solutions offer agents and insureds expert protection at every turn with convenience, efficiency and product customization.

### Collaborative Approach

Our collaborative approach sets Great American and National Interstate apart from other insurance carriers, by simplifying the claims process and ultimately saving agents and insureds valuable time.

### Unique Product Offering

Our unique product offering is suitable for Company Owned Truck Fleets and Owner-Operator Truck Fleets, and can be customized to meet the needs of their business. Policyholders can choose from an expanded set of options including Alternative Risk (Joint, Single Parent, Rental, or Member Owned Captives), First Dollar Traditional Programs and Deductible Options. Our broad range of coverages include:

- Non-Trucking Liability
- Physical Damage
- Occupational Accident
- Contingent Liability
- Workers' Compensation
- Primary Auto Liability
- Cargo
- Excess Liability
- Trailer Interchange
- General Liability (Garage and Garagekeepers)

**We're stronger together.**
