Call 877-330-4TOW

Please follow this simple three-step process to begin:

- 1** Call INA immediately at **877-330-4TOW** if a tow or recovery is required for a covered loss. Please note that time is of the essence: a delay in notification may result in a non-consensual recovery (tow service called out by law enforcement) and a significantly higher invoice for services.
- 2** Identify yourself as a Great American policyholder and provide the following information:
 - Name of insured on policy
 - Last six digits of insured's VIN
 - Great American policy number
- 3** INA will discuss details of towing destination with you directly and may provide a list of Great American's Rig Ready® body shops to call for repair services.
